

MOTION BY SUPERVISOR MARK RIDLEY-THOMAS

April 1, 2014

Olympiad Drive Project Contract Changes

The Olympiad Drive Project (ID No. RDC0015611) was awarded by the Los Angeles County Board of Supervisors on May 14, 2013, to Sequel Contractors, Inc. for \$2,345,680.40 to resurface the roadway and construct sidewalks, driveways, curbs, gutters, curb ramps, and cross gutters, in the unincorporated communities of View Park and Winsor Hills. Construction started on September 25, 2013, but it came to a halt recently after discovering that some of the streets require more reconstructive work than contemplated in the original project. The additional cost to perform the work is estimated to be \$450,000. Expediting the approval of these contract changes will allow the Department of Public Works and their contractor to minimize the delay and inconvenience to residents associated with completing this project.

I THEREFORE MOVE THAT THE BOARD OF SUPERVISORS:

Approve the recommended Change in Work for the Olympiad Drive Project and instruct the Department of Public Works to proceed with the additional work necessary as quickly as possible to minimize the inconvenience to the local community.
